Coming Events

Sunday, December 7 – 11:00 am, Christi Colman, service title, "It's a Wonderful Life". She will be sharing why watching that film is her New Year's Eve tradition every year and how it connects to the UU principle of the inherent worth and dignity of every person. Also, how we are all connected and how just one person can make such a difference in their community and in the world.

A little background: Christi has a diverse religious and spiritual background and has always had a keen interest in learning about different faith traditions and beliefs. Christi completed a Clinical Pastoral Education (CPE) internship at Maine Medical Center, Portland, ME (2003) as well as a four-year Education for Ministry (EfM) program in Theology from Sewanee University of the South (2017). She has spoken and preached at several churches in Maine and western NY and is looking forward to being in the pulpit here at Pullman.
